On behalf of the 3A State Tennis Committee, I would like to congratulate you and your tennis player(s) on qualifying for the 2010 State Tennis Tournament. This is the fifth straight year a state tournament has been held at the Vancouver Tennis Center (VTC). We, along with the VTC staff, are excited about hosting this year's tournament and hope to make it the best one yet.

Please take a moment to view the other pages on this website. It has driving directions as well as information about restaurants and accommodations. In case you have not yet reserved a hotel, I wanted to let you know that the Vancouver Staybridge Suites (www.staybridge.com) is offering special rates for all 3A state tennis participants and coaches. Staybridge Suites is a great hotel is and located just a couple of minutes from the VTC.

By **Monday, May 24**, tournament draws and match schedules will be posted on the WIAA website (www.wiaa.com).

We are eager to have the State's best here in Vancouver and have worked hard to make this a memorable experience for you and your players. Brent Waddle (Director of the VTC), Chris Linqvist (Prairie HS), and I (Camas HS) are looking forward to meeting the coaches and players at the **7:30 AM** general meeting on **Friday, May 28**. At this meeting, we will be reviewing important rules and information that we hope will help the event run smoothly for everyone.

Don't forget to pick up your information packets at the VTC on **Thursday, May 27** when you arrive in town. We encourage you to also bring your players to the player social, "Sundaes on Thursday", from **6-8:30 PM**. In between sundaes, tournament participants can drill with VTC teaching professionals and win prizes from Player's Racquet Shop.
